Re: Close-out of BLM case file on Mining Notice U68-N90-06 [T18S, R25E (SLM),  
Section 33: NE1/4 SW1/4, Grand County, Utah].

Dear Mr. Cooper:

A field inspection, conducted on March 11, 1992 by a member of my staff, revealed that the reclamation called for in my letter to you dated May 30, 1991 has been satisfactorily completed. Mr. Harold Bittle has requested that the BLM case file be closed out. Therefore, C&R Minerals is relieved by BLM from further reclamation responsibility for U68-N90-06, and our case file is closed.

Should you have questions, please contact Sal Venticinque of my staff at (801) 259-8193.

Sincerely yours,

Area Manager
